- Time (CPW) We are all in fraternities and therefore we all have various CPW commitments

We will use class time to meet and work on the project.

--- Tuesdays 10am (34---30x)

--- Lecture times

--- Tuesday 9:30---10:30 (3---4xx)

--- Wednesday 5---8 (Baker)

- Friday 12---2 (Student center)

Tasks:

- Responsibilities will be assigned Tuesday during recitation and recorded in a shared Google doc

We have agreed as a team that from this point on, only a 2 out of 3 members vote is required to make a decision for the group.

As a back up, we have also reserved time to work the entire night, the day before any of the project deadlines to make sure everything gets finished on time.
